We look forward to sharing Shabbat with you – both in person and over the web!

In this unprecedented time of COVID-19, our brick and mortar building is closed, but we are very much open and operating in the digital world. Though we may be physically distant, we need not be spiritually or socially distant from one another.

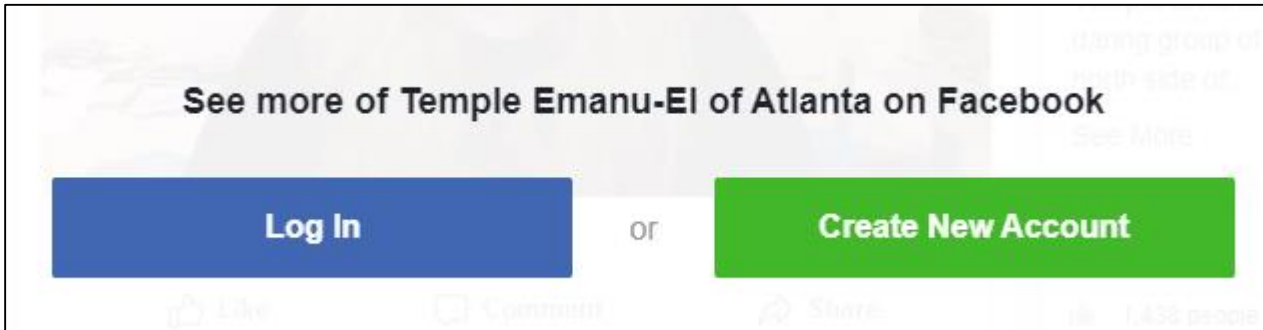

All of our services will now be streaming live from Facebook. You do NOT need to have a Facebook account in order to view our page or see our services. If you DO have a Facebook account, we recommend that you “like” the Temple Emanu-El Facebook Page so that you receive notifications when we “go live!”

Visit this page to watch our services live: <https://www.facebook.com/TEAtlanta/>
